Health, vigor and tone predominate. New life and happy activity results. Mrs. Belle H. Shirel, Middlesborough, Ill., writes: "I have been troubled with liver complaint and poor blood, and have found nothing to benefit me like Herbine. I hope never to be without it. Spring Thoughts.

New carpets, a piece or two of New Furniture, a new picture perhaps, maybe a range or cook stove, or if we have not mentioned the article, possibly we have the article you are looking for.

Our line of ranges and stoves is quite complete, and we are always right on the prices in this line as with all others we handle.

Fencing is moving and from the outlook now our sales this year will be greater than ever before. Poultry fence is going out every day and we can surely please any one on the kind and price.

Barbed wire, staples and nails are also moving and we have a car load to back up pretty good prices. We have never been in better shape to take care of our customers and a visit will convince you that we are very much in business.

Remember you are always welcome whether you buy or not at

FIRST IMPRESSIONS

are based upon personal appearance. Much as we say about judging a man by his clothes, we, all of us, are guilty of so doing. It is human nature. Go into a business office for the first time and you will realize to the fullest, the importance of good clothes. They demand respect. International Garments create a favorable impression and lend an air of distinction—generally essential to business success.
